

The Used Curriculum Fair is this Saturday and we are excited to have you participate as a seller. Since this is a little different situation this year, we thought it wise to communicate with you ahead of time so things will run smoothly on Saturday.

SELLERS - When you come to the church on the 18th, please drive around back to park and enter Family Life Center (gym) through the southwest doors. Doors will be open from 8 a.m. to 9 a.m. for you to unload your material and setup and then will be closed until 1:30 p.m. After lunch, you can enter between 1:30 and 2:00 (through southwest doors) to finish arranging or shop a little before the doors open to the public at 2:00.

Table location is not pre-determined. Those who arrive first will have their choice of where to setup.

Fee will be collected at door. Don't forget to bring singles and change for your buyers!

Doors to the Family Life Center will be closed between 9:00 and 1:30 and no one will be allowed to shop or peruse tables. If you prefer, after setting up you could always cover your material with a tablecloth. Please do not ask to enter gym area or setup between 9:00 and 1:30.

We prefer that you setup between 8 and 9. If this is difficult, we ask that you at least bring in your boxes before 9:00, pay the fee, select table area and then come back at 1:30 to arrange your materials on the table.

We want to encourage you to attend the workshops. Topics have been selected based on suggestions from our local homeschoolers, and we have workshops for both new homeschoolers and veterans. If you have a new homeschool family that you are mentoring, perhaps you would like to invite them to come and attend workshops with them.

If you have other commitments and MUST setup between 1:30 and 2:00, please send an email to CurriculumFair@CHESF.org to let us know.

We are holding a raffle at 9:20 for "Fair Bucks." Winners of these coupons may use them to make a purchase with any vendor at the Fair. If you receive them at your table, accept them as cash; then present coupons at end of fair to Carol Benson to exchange for real money. ☺

At end of fair, all items must be removed from the FLC. Please do not leave "free" materials. We would appreciate your help in tearing down tables and policing the area so we can leave the church facility in better condition than we found it.

And lastly, you will have a much better selling experience if we get the word out to our BUYERS. Please print the attached flyer and post at places where parents frequent....libraries, restaurants, book stores, parks, churches. In addition, email the flyer to anyone you know who may have an interest in our Used Curriculum Fair and Workshops and invite them personally to attend.

If you have any questions, contact Carol or Cindy.

Cell numbers are: Carol Benson – 239-209-1658 and Cindy Prechtel – 239-826-7382.

In addition, after the Fair we welcome your comments as to date, location, workshop topics, speakers and anything else that may help in planning for next year. Send to CurriculumFair@CHESF.org

THANK YOU for your participation!
